WELCOME TO NAME TRI-VALLEY

NAME Tri-Valley, established in 2005, provides resources and support for families and their loved ones diagnosed with various and persistent brain disorders.

The best treatments for brain disorders today are highly effective. Between 70 and 90% of individuals have significant reduction of symptoms and improved quality of life with a combination of pharmacological and psycho-social treatments and supports.

NAME Tri-Valley provides:

- General Meetings, which includes guests that are experts in mental health
- NAME Tri-Valley Family Caregiver Support Groups
- Parent Resource and Support Group
- NAME Connections Recovery Support Group
- Family-to-Family Education Program
- Workshops, Trainings and Presentations
- Education Outreach
- Information on Resources
- Quarterly Newsletter "Brainstorm"

MEMBER BENEFITS

- Gain support from others who have experienced the challenges surrounding brain disorders
- Learn more about brain disorders, which are biologically-based medical conditions
- Learn about wellness, recovery and resilience
- Attend classes, workshops and support groups at no cost
- Access information about mental health services in Maricopa County
- Become an advocate and help ease the stigma of mental illness
- Attend monthly education presentations by guest speakers who are experts in mental health
- Be encouraged and inspired by those who are successfully dealing with situations similar to yours

WHAT IS MENTAL ILLNESS?
